THE GUARDIANS

818-0056 福岡県筑紫野市二日市北3丁目10-1

Daily school

At Linden Hall School, as part of our committee activities, we focus on utilizing leftover school lunches for composting and reusing plastic materials, emphasizing the "Reuse" and "Recycle" aspects of the 3Rs. In addition, we, "The Guardians," actively engage in river conservation activities centered on removing invasive species and participate in local beach cleanup volunteer work.
